Prez Sez

We have been fortunate to have two outstanding judges during the month of January. On the 10th it was Dale Gilkinson, and on the 24th, Jim Lenthall. Both are outstanding photographers, and both shared some of their work with us through slides, prints, and electronic images. Seeing their work served as an inspiration to me. I believe the new feature of letting judges show us some of their work is a welcome and valuable addition to the competition programs. Thank you Dale and Jim.

The two programs for our regular club meetings in February should also prove very inspiring, but in a different way. Bob Dalton, faculty member in photography at El Camino College, and Mark Comon, the force behind the highly successful photography education program offered by Paul's Photo, will give the programs, Bob on February 14 and Mark on February 28. Both programs will be concerned with the creative side of photography --- how to transform the routine photograph or snapshot into a memorable image. Since I need all the help I can get in this area, I am looking forward eagerly to hearing and seeing both programs. See you there.

FIELD TRIPS, FEB 5th and FEB 12th

Betsy Treynor prepares for our field trips by contacting the administration of each event to determine the best time for photographers.

On February 5th, we go to the Hsi Lai Buddhist Temple in Hacienda Heights. This beautiful facility will be decorated for the New Year's Celebration the following week, but without the crowds in the way.

On Saturday, February 12th, we travel to Fashion Island, Newport Beach, for the huge International Orchid Show. There, we can get enough good pictures for a photo essay.

Carpools are formed in the SE corner of the Alpine Village parking lot, near the gas station. Be there by 8 a.m. on Feb 5, and by 9 a.m. on Feb 12th.

Thank you, Betsy, for the great work

Program Chairman, **Frank Goroszko**, reminds us of the two photo skills challenges he has presented this year. Digital Wizard is an exercise in photo editing, and the Macro-image Scavenger Hunt tests your camera skills. Both will be shown on April 25, so get with it now.

Reminder: Scavenger hunt images must be taken within 18" of subjects named with the first letters: B, C, D, F, H, I, J, K, O, R, U, or Y.

Those of us who enjoyed Jim Lenthall's beautiful panoramic prints of Antarctica on Monday night may find pleasure in the Library of Congress archive http://memory.loc.gov/ammem/collections/panoramic_photo/
