## **FROM THE PRESIDENT:**

The Awards Banquet was a wonderful way to end the year --- with a bang and a lot of fun. Many thanks to the people who worked so hard on the banquet --- Diane, Bob, and Gerhard, among others. And a special thanks to Irma Louise Rudd for the phenomenal slide show, and to Fred Vogel for organizing it. She went to dances in Bodie? I am still trying to digest that.

There will be no meeting on July 12. That may seem like a poor way to kick-off the new year, but there were so many requests from members that we skip the meeting because of summer vacations and lack of time to get slides organized for a competition, that the board voted for the idea. However, we will be roaring back on July 26 with a program presenting the contents and plans for each of the four workshops that are planned for the year. I hope everyone can find one or more workshops which suit their needs.

The banquet was attended by an honored guest, Joanne Stolte, president of the Southern California Council of Camera Clubs (S4C). She announced that S4C is starting a new competition in Electronic Imaging (digital photography). Submission of entries will be through the S4C web site --- no need to attend the event in Rosemead, or even to physically lug slides and prints to the competition site. She thought our club should do well in this category due to our experience in the new medium. I am sure we will.

I am looking forward to a great year of photography with wonderful people and outstanding events.

Bill
