## Words from the Prez

The club always appreciates people who volunteer for projects that quite above the usual effort. June's Studio Night was a very successful event due to the contributions of Rebecca Baylis and Ron Discipulo. They brought lighting equipment, backgrounds, and models. The Installation and Awards Banquet was a great event due to the work of Marge Robinson, Bill Berry, Joyce Fish and her Photo Essay Group and Fred Vogel. The Torrance Sizzler proved to have a room that was just about right for our group (although it required some creative room darkening modification) and there was enough variety in the menu to please most people (and senior prices). Congratulations to all the winning photographers for their excellent work throughout the last competition year.

Looking toward the future I would like to continue the mix of programs and competitions that we had last year. The alternate schedule of programs one month and competitions the other month has worked very well. We'll take a break in July and resume with programs in August. August 8 is tentative. We may have something from the S4C International Salon, which occurs on July 8 (eve) and July 9 (9 A.M.) in Rosemead. On August 22 we'll do a demo of the club's web site, view Don Gale's video on photographing San Francisco & California, and talk about the events for 2005-06.

## Call for Volunteers

As usual we'll need some people to run various club activities next year. We will need people for the following jobs: Publicity Chairperson, Meetings Chairperson, Membership Chairperson, Programs Chairperson and possibly a few more. You'll note that there are two new positions, Meetings and Membership. The Meetings Chairperson is just a combination of the old Refreshments and Hospitality. The Membership Chairperson is a new position that involves accepting sign-ups, sending checks and info to the treasurer and newsletter editor, and producing a member's handbook with basic information about the club and competition guidelines. Please contact me if you would like to serve in one of these positions.
