Membership carry-over from 2012-2013 to the new year 2013-2014:

All current SBCC memberships will carry over into the new year until the end of September. If you have not renewed membership for the new year by September 30, then it will expire at that time, your name will be removed from the membership list, and you will receive no more e-mail from the club. Be prepared!

To renew give a check for \$45 to Chuck Greenwood at the next meeting.

Help Wanted!

Several positions on the Board have gone unfilled during the past year. A few are becoming unfilled at the end of the current year. The club needs volunteers to help with the planning and administration of our many activities. In the future this newsletter will carry information on what these positions are and what the responsibilities are. I hope all of you will consider getting involved in running our club in a way appropriate for your talents. Currently we need chair persons for Equipment, Digital Images, and S4C Liason, to name a few. Consider coming to the next Board Meeting (Harry Korn's house, September 16, 7 PM) to learn more.

Highpoints of the past month:

August 12, Print Evaluation Meeting:

This was the first Print Evaluation Meeting of the new year, and our guest evaluator, David Duenas, did a wonderful job of talking with us about how to improve the various prints. Thank you David. It was a most interesting meeting. There were about 40 members and guests in attendance.

August 17, California Live Steamers at Wilson Park:

About 20 members and guests came to Wilson Park to enjoy the marvelous picnic lunch, to ride the trains, and to revel in the perfect weather of the park. Thank you Southern California Live Steamers for you hospitality and good cheer.

August 21, Greek Orthodox Church, Long Beach:

About 16 members and guests enjoyed a morning photographing the Assumption of the Blessed Virgin Mary Greeek Orthodox Church in Long Beach. Afterwards many of the group enjoyed lunch at George's Greek Restaurant in Venice, and some even spent time afterwards exploring the canals on foot. Thank you Harry for organizing such a fine outing.

Upcoming Events through September:

September 9, Digital Image Evaluation:

Travis Silva will evaluate our digital images. As usual, submit your images to the SBCC web site following the instructions given there. Up to 2 images per member may be submitted. Non-members may not submit images. Images should be submitted before close-of-business on Sunday.

September 16, Board Meeting:

The Board will meet at 7 PM at Harry's house, 2300 Ruhland Avenue #B. Come on over and learn about the operations of your club. Maybe you will become interested in some aspect of club operations and agree to help out. See you there.

September 23, Program --- Mounting Prints and Using the Web Site:

This program will be a two-parter. First, Treasurer Chuck Greenwood will give a short demonstration of proper mounting and matting methods for prints submitted for print evaluation nights. Afterwards, Phil Cohen will give a live demonstration of using the SBCC web site. "Live" means he will actually be on-line communicating with the web site during the demonstration. Both of these topics are important for all members, and vital for new members.

September 26, Outing to the Getty Villa, 17985 E. Pacific Coast Highway, Pacific Palisades, CA, 90272:

This will be an outstanding outing. We may photograph inside the museum everything that belongs to the museum. Works of art on loan from other museums may not be photographed. The guards will help us sort out which is which. We will have lunch in the museum cafeteria. It has been years since I ate there, but my memory is of a very good meal. Parking will be the responsibility of each car. We have spaces reserved in the parking lot under the pool and gardens. The parking fee is \$15 per car, so carpooling is in order. Be sure to tell the parking guards that you are from the SBCC --- the "camera club." We will meet at the Villa at 10 AM and begin the tour. Bring your wide-angles and macros.
