S4C Member Club Benefits

Each month this column highlights a benefit of S4C club membership. In October, usage of the S4C Bulk Mail Permit was reviewed, the S4C Judging Service was covered in November, the Interclub Color Competition was described in December, and S4C member discounts were delineated in January. This month S4C **Individual Recognition** is the topic being highlighted.

The S4C **Honors Program** was established in 1955 to recognize individuals who qualify through active participation in a wide variety of photographic and S4C-related activities. The purpose of the honors is to **encourage** and **acknowledge service** to S4C and to member clubs. Honors are on the basis of points an applicant has earned in accordance with the point schedule that was published in the January issue of the *S4C News*. Applications must be received by the Honors Committee not later than **May 1**, each year. Honors are awarded at the Annual Installation and Awards Banquet.
